Project Information

1. Project Description

Please include a brief project description.

Replacement of an old, outmoded fire station with a modern facility to jointly accommodate fire and rescue, as well as airport crash fire and rescue units and police.

2. Project Purpose

Please describe the project's public purpose and benefit.

The current airport fire station is in high need of replacement. The replacement station could accommodate not only airport crash fire and rescue, but will also accommodate community fire protection and emergency services. Not only will the replacement facility house fire and rescue personnel, but also will accommodate Buncombe Asheville Police. This will represent the most efficient use of this property and building.

3. Project Cost

Include the total project cost

\$6,000,000.00

4. Job Creation

Estimated number of jobs created by project.

16

5. Project Schedule

Include start and finish dates for the project.

Start 2010
End 2011

5a. Project Schedule

Can the project be contracted and commenced within 120 days? Please indicate yes or no.

Yes

6. Goal Alignment

Briefly describe how the project will achieve the goals of the American Recovery & Reinvestment Act.
